### Required: Contact person from our campus

Have you been in one of the RKI designated areas of variant of concern, areas of high incidence, or risk areas (listed on the back of this questionnaire) during the last 10 days?

If yes, please understand, that we will only allow you to enter our campus if the current valid rules on quarantine and testing have been followed.

Do you have symptoms similar to coronavirus (fever, cough, shortness of breath, joint pain, sore throat, headache, nausea, stuffy nose, diarrhea)?

If yes, please understand that we presently cannot welcome you on campus for health reasons.

Have you been in contact with potentially infected persons who have at least one of the symptoms listed above?

If yes, please understand that we presently cannot welcome you on campus for health reasons.

Do you have a negative result (not older than 24 hours) of a corona test?

We ask authorized external visitors with business on campus (e.g., construction contractors) to wear their own **simple face masks** on campus. Visitors who do not have a mask may obtain a disposable mask from the staff at our Heisenbergstr. 1 and Heisenbergstr. 3 entrances.

I hereby confirm the correctness and completeness of the information provided above.
