ACCESS TO MAX PLANCK CAMPUS STUTTGART-BÜSNAU

Questionnaire for visitors
Due to the latest developments regarding the coronavirus (COVID-19 disease), visitors who need access to the Max Planck campus in Stuttgart-Büsnau are required to fill out the following questionnaire.

General Information

Last name
First name
Phone number

Company / Institution

Access to the following institutes or groups
- MPI-FKF
- MPI-IS
- Prof. Bill
- Prof. Schmitz
- In-house Technical Support
- Contractor

Required: Contact person from our campus

Have you been in an RKI risk area (listed on the back of this questionnaire) during the last 14 days? □ yes □ no

If yes, have you been tested for coronavirus and received negative test results for both PCR tests (one when entering Germany and the other 4-5 days later)? □ yes □ no

If you have been in an RKI risk area and do not yet have both negative test results, please understand that we presently cannot welcome you on campus for health reasons.

Do you have symptoms similar to coronavirus (fever, cough, shortness of breath, joint pain, sore throat, headache, nausea, stuffy nose, diarrhea)? □ yes □ no

If yes, please understand that we presently cannot welcome you on campus for health reasons.

Have you been in contact with potentially infected persons who have at least one of the symptoms listed above? □ yes □ no

If yes, please understand that we presently cannot welcome you on campus for health reasons.

We ask authorized external visitors with business on campus (e.g., construction contractors) to wear their own simple face masks on campus. Visitors who do not have a mask may obtain a disposable mask from the staff at our Heisenbergstr. 1 and Heisenbergstr. 3 entrances.

I hereby confirm the correctness and completeness of the information provided above.
