

Nationwide measures to contain the Corona Pandemic

! The following measures will come into force throughout Germany from November 2, 2020. They are valid until the end of November.

Reasons

- Exponential spread of the coronavirus.
- Contacts can no longer be fully traced.
- Further increase of the infection rate leads to overtaxing of the health care system.

Objectives

- Reduce personal contacts by 75%.
- Reduce the incidence of infection.
- Reduce the number of new infections to <50/100,000 inhabitants.
- Celebrate Christmas with family and friends.

Contacts

- Reduce contacts to a minimum
- Stay in public with maximum 2 households, maximum 10 persons
- No celebrations in private or public space

Schools & Kindergartens

- Remain open
- Further protective measures by federal states

Work

- Home Office wherever it is feasible
- Hygiene concepts adapted to the occurrence of infections

Retail

- Remains open under hygienic conditions
- Maximum one customer on 10 sqm sales area
- Controlled access
- Avoid queues

Gastronomy

- Restaurants, bars, clubs, pubs etc. will be closed
- Exception for meals for pickup or delivery
- Company canteens still open under hygiene requirements

Service

- Cosmetic studios, massage practices, tattoo studios, etc. will be closed
- Medical treatments (e.g. physiotherapy or occupational therapy, medical foot care) possible
- Hairdressing salons still open under hygiene conditions

Travel

- Restaurants, bars, clubs, pubs etc. will be closed
- Exception for meals for pickup or delivery
- Company canteens still open under hygiene requirements

Free time

- Events that serve entertainment purposes are not permitted
- Cultural, sports and leisure facilities will be closed. For example:
 - Theaters, Operas, Concert Halls, Museums
 - Trade Fairs, Cinemas, Amusement Parks
 - Providers of Indoor and Outdoor Leisure Activities
 - Arcades, Casinos, Betting Shops
 - Prostitution Facilities, Brothels
 - Leisure and Amateur Sports Facilities, Swimming and Fun Pools, Spas, Saunas
 - Gyms
 - Sports with a max. of 2 people or one household allowed.
 - Professional sport without spectators

Aid measures

- Emergency aid for affected companies and businesses is provided by the Federal Government.
- KfW fast loans for enterprises with less than 10 employees

Risk Groups

- Protective measures in Hospitals, Nursing Homes, Seniors and Disabled Facilities.
- No isolation of the affected persons.
- Meeting the costs from regular SARS-CoV2-Fast Tests for Patients and Visitors.

The State Government is aware that these restrictions are a great burden. Therefore, we thank the vast majority of the population, who act and behave in solidarity and in the interest of the community.
